

Blaser Swisslube

Blaser Swisslube and TITANS of CNC

Press announcement, Hasle-Rüegsau, June 12, 2017

Blaser Swisslube is proud to announce their collaboration with TITANS of CNC.

Blaser Swisslube is happy to announce their partnership with TITANS of CNC. This collaboration includes the appearance of Blaser in a future episode of TITANS of CNC, which will air on MAVTV tonight. The upcoming episode highlights how Blaser helps its customers improve their economic efficiency, productivity, and machining quality.

Taking a more holistic view of the manufacturing process, Blaser Swisslube presents in cooperation with its customers the possibility to fully exploit the potential of machines and tools by using the right metalworking fluid.

Don't miss Titan Gilroy's tour of the Company Headquarters in Hasle-Rüegsau, Switzerland and learn more about the Liquid Tool.

Take a sneak peek! <http://www.mavtv.com/shows/titan.html>

Blaser Swisslube

Blaser Swisslube is a globally active company in the metalworking fluid sector. The independent and family-owned Swiss company was founded in 1936 and has since grown from a small business into a global player, employing over 600 people worldwide. Blaser Swisslube is represented in about 60 countries, close to its customers.
